DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Innovative Teaching Methodology

Name	S.Tamizharasu & P.N.Periyasamy
Subject code & Title	20CS419 & Cloud Computing
Academic year & Semester	2023-24 & VII-CSE- A & B

Objectives:

Assess the students cloud computing knowledge with the Google Form Quiz. Covering key concepts, services, and benefits, the quiz aims to enhance the understanding in just a few questions. Test the student expertise now.

Description:

Quiz is designed to evaluate the student knowledge of cloud computing concepts, services, and benefits. Whether a beginner looking to test the foundational understanding or an experienced professional wanting to brush up on the knowledge, the quiz has something for everyone.

Instructions:

- The quiz consists of a series of multiple-choice questions.
- Read each question carefully and select the most appropriate answer.
- Try to answer all questions to the best of the ability.
- After completing the quiz, Students will receive immediate feedback on your performance.

Outcomes:

- ❖ This quiz offers an opportunity to enhance the cloud computing knowledge.
- ❖ If they are preparing for cloud-related certifications or interviews, this quiz can serve as a valuable self-assessment tool.
- ❖ The quiz is designed to be completed in a short amount of time, allowing the students to quickly gauge the understanding of cloud computing concepts.

Short answer text

Reg No

*

Short answer text

1. Which one of the following is not a feature of cloud computing?

*

a. Reliability

b. Agility

c. Scalability

d. Decentralizati

Other...

2. What is full form of QoS?

*

a. Quality of Ser

b. Quality of Sca

c. Quality of Sim

d. None

Other...

3. Which feature of cloud computing allow user to release the resources as soon as they are not needed?

*

a. Self – Service

b. Per-Usage Me

c. Elasticity

d. Customization

Other...

4. Which feature of cloud computing allow to add additional resources when an application load increases?

*

a. Self – Service

b. Per-Usage Me

c. Elasticity

d. Customization

5. Which of the following is an advantage of Public Cloud?

*

- a. Performance c
- b. Lacks proper c
- c. Scalability
- d. Customization

6. Internal Cloud or Corporate Cloud is also known as _____

*

- a. Community Cl
- b. Private Cloud
- c. Scalability of C
- d. Public Cloud

7. A _____ shares the cloud infrastructure across the several organizations that has a common concerns.

*

- a. Community Cl
- b. Private Cloud
- c. Scalability of C
- d. Public Cloud
