Head – Employee Relations, Ashok Leyland (Hosur)

**Thiru VELUMANI RN** serves as the Head of Employee Relations at Ashok Leyland, bringing extensive experience in human resources management across the manufacturing sector. Ashok Leyland – Hosur is a leading engine and commercial vehicles manufacturing unit known for its advanced assembly lines and modern systems such as pick-to-light for parts management. His work supports Ashok Leyland's significant manufacturing footprint in Hosur, which houses two major production ( H1 & H2) units.

Over a 24 year career spanning multiple HR domains, he has built strong capabilities in employee relations, HR development, and workforce engagement. Beginning with a long tenure as Junior Manager at Ashok Leyland, he progressed through successive peoplecentric and compliance-driven roles. As Manager, Contract Compliance, he ensured adherence to legal and regulatory frameworks across industrial operations. Later, as Manager, Human Resources Development, he contributed significantly to learning & development, talent building, and capability enhancement initiatives within the organization.

In the current leadership role, he oversees a broad spectrum of HR functions, including Talent acquisition , Flexi manpower life cycle management, Employee engagement and culture-building initiatives, Employee welfare services and general administration. Thiru.Velumani R N has also led notable strategic projects, including the successful installation of Integrated Facility Management (IFM) services across all Hosur units, improving operational efficiency and workplace experience.
