CURRICULUM DEVELOPMENT POLICY

CURRICULUM DEVELOPMENT POLICY

A. Purpose

Curriculum Development Cell (CDC) gives guidelines and policies for the curriculum and development process for Hindusthan Institute of Technology (HiTech).

B. Background

Curriculum Development Cell of HiTech plays the vital role in any autonomous institution. This cell gives guidance and prepares the common curriculum scheme and regulation for all programmes of the institution. This is done based on the guidance given by UGC, AICTE, and Anna University by including the Local, Regional, National and Global needs.

C. Policy

Curriculum Development Cell is body for the execution of autonomy in our institution especially in activities such as curriculum designing that involves the formulation of general course scheme and scheme of examinations for all programmes.

Process of Curriculum Design and Activities

A Curriculum Development Cell has been formed in the College to take initiatives in restructuring the curriculum periodically, based on the UGC and AICTE guidelines, and accomplishing the objectives of the institution in equipping the students with multi-disciplinary and multi-tasking skills, the Curriculum Development Cell formulates the course structure and guidelines for curriculum restructuring, periodically.

- Promote faculty recharge programmes and skill development for faculty.
- Introduce inter/multidisciplinary studies

- Develop the curriculum, syllabi and look for new sources required for the various courses run by the University. It needs to maintain and promote an ambiance of creativity, innovation and improving quality.
- To implement the Choice Based Credit System in the Institution.
