ABOUT THE INSTITUTION

Hindusthan Institute of Technology was started in the year of 2007 by the great industrialist and philanthropist, Thiru.T.S.R. Khannaiyann. The college is Accredited by NAAC with 'A' Grade and 4 of our Departments [AERO,CSE, ECE and MECH] are accredited by NBA. We currently offers 8 UG and 3 PG Programmes. The college is permanently affiliated to Anna University, Chennai. We are an ISO 9001:2015 certified college with 3 Anna University Recognized Research Centers. The college received Autonomous status during the academic year 2020-21.

To add laurels to the honor of our Institution we have been awarded ATAL Ranking of Institutions on Innovation Achievements 2021 in the Band Excellent Category. We are ranked among the top 100 AICTE's Leadership in Teaching Excellence rankings.

ABOUT THE DEPARTMENT

The Department of Science and Humanities was started in the year 2007 with well equipped laborties to develop wide area of engineering and to promote innovative research in basic sciences. The Department is committed to Provide stimulating Teaching - Learning process which encourage students' retention and developing the institute as a Centre of Excellence through its continual improvement in educating the students with moral ethical values.

VISION

The prime objective of the department is to render quality based education in different perspectives with sound techniques adopting richness in the study of Mathematics, Science and Language that helps the students to understand the modern technology with clarity. Besides academic curriculum, the department aim to develop the personality of students by inculcating human ethical values.

MISSION

To provide students with an intellectually stimulating, challenging and supportive learning environment, which enables them to develop more about their academic and professional skills and make them gain valuable experiences in fundamental courses like Mathematics, Science and Language and to shape them as future technically skilled professionals.

ABOUT THE FDP

Design Thinking is a new approach to innovation being accepted by many institutions all over the world. The pace with which it is being brought into practice and curriculum by many prestigious Indian institutions is inconceivable & immeasurable. This Faculty Development Programme facilitate up-gradation of knowledge, skill and intends to empower the faculty members of various Departments on the topic "Design Thinking to Turn Challenges into Opportunities".

OBJECTIVES OF THE FDP

- To develop creative & critical thinking abilities.
- To learn new approaches of the Innovation.
- Better understand our students and deliver curriculum to their needs.
- To implement a new collaborative culture in our organization.
- To convert students' ideas into successful Startups
