

Registration:

Participants are requested to register their name by intimating to the coordinator in advance by sending their research article through mail. Registration fee for various categories of participant are given below.

Fee Details

Delegates from

UG and PG Students	: Rs.500.00
Research Scholars	:Rs.1000.00
R&D Lab	:Rs.1500.00

Important Dates

Submission of full paper	:10.03.2019
Intimation of acceptance	:16.03.2019

Send the soft copy to
etedm19@gmail.com

(Spot registration accepted)*

*Spot Registration, conference paper must be send to above Mail ID in advance.

Send Registration Form along with conf. Paper:

ABOUT THE COLLEGE

Hindusthan Institute of Technology (HIT) is an Institute with motto of “ Experience the Excellence” by Hindusthan Educational and Charitable Trust (HECT). The HIT took birth in 2007 and is approved by AICTE, New Delhi and affiliated by Anna University Chennai. This institution offers 6 UG and 4 PG courses & having highly sophisticated laboratory with modern equipment and tools, spacious class rooms, sports ground and very well established library.

ABOUT THE DEPARTMENT

The department of Mechanical Engineering is took birth in 2007 and is functioning since the inception of this institute from the year of 2009. The mission of the department is to produce mechanical engineering graduates who will possess the acumen, competence and lead a successful professional career. The well qualifies faculties having the experience in both academic and industry and other facilities provided to make the students to update with the latest industrial trends. We constantly encourage students in industry interaction and entrepreneur development. We provide world class undergraduate engineering education to meet the current and emerging needs of the industry. We also motivate the faculties and students to carry out the research activities and publications.

VISION

To inculcate professionalism in the field of mechanical engineering for the students by providing quality education and learning opportunities to become an ethically strong engineers contributing the growth of the nation in future

MISSION

MD1: To promote quality technical education to the students that prepares then for professional engineering practice.

MD2: To frame the engineering students with high moral and ethical values.

MD3: To seek continuous improvement in the learning process of the students to enhance their technical skills.

CALL FOR PAPERS

- Advanced Manufacturing Process
- Design for Manufacturing
- Design of Jig and fixture
- Composite Materials
- Thermal Engineering
- Alternative Fuels
- CAD/CAM/CAE/CIM
- Production Technology
- Electrical Systems
- Electronics Science
- Computer Technology
- Information Science
- All other related to Engineering Sciences

ETEDM18 (22-03-2019)

Registration Form

Name:.....
 Branch:.....
 Organization:.....
 Address:.....

 Phone:.....
 E.Mail:.....
 Qualification:.....
 DD No:..... Dated.....
 Title of the paper :.....

Please fill the registration form and mail it to the coordinators along with appropriate Demand Draft.
