5.4.1 Report on Alumni Engagement 2024-25

The Alumni Association of Hindusthan Institute of Technology was formally registered in the year 2018 under the name HITECH Alumni Association. The HITECH Alumni Association stands out by actively contributing to the holistic development of the institution. Unlike passive affiliations, our alumni serve as active stakeholders, deeply involved in shaping the institution's direction and impact. They not only extend support to the academic framework but also go beyond the classroom by engaging in mentorship, entrepreneurship guidance, and social initiatives.

Their involvement is not limited to ceremonial participation; on the contrary, they take initiative in designing curriculum frameworks, organizing industry-led sessions, facilitating internships, and contributing to community outreach programs. This multifaceted engagement showcases their unwavering commitment to the institution's growth and to the broader societal good.

Outlined below are the key alumni engagement activities undertaken in collaboration with the student community and institutional bodies during the academic year 2024–2025, which clearly demonstrate the depth and diversity of their involvement.

Annual Alumni Hockey Sports Meet 2025 – A Grand Celebration of Spirit and Sportsmanship

The alumni sports meet was a vibrant and nostalgic event, bringing together former students to reconnect and participate in various athletic competitions. Participants showcased their skills and sportsmanship, reminiscing about their college days while creating new memories on the field. The event fostered a sense of camaraderie and friendly competition among alumni, highlighting the enduring spirit of sportsmanship and unity within the alumni community. Overall, it was a successful and enjoyable gathering that celebrated both athletic prowess and the bonds forged through shared experiences.

Sportsmanship

The HiTech Alumni Association proudly hosted the Annual Alumni Hockey Sports Meet from 30th January to 1st February 2025 at the HiTech College sports ground. This highly anticipated event brought together over 50 athletic alumni, who showcased exemplary skill, teamwork, and sportsmanship.

The inaugural ceremony was graced by eminent personalities including

Dr. C. Natarajan, Principal, HiTech,

Mr. S. Tamil Selvan, Secretary, HiTech Alumni Association, and

Mr. Kannan, Physical Director, HiTech.

In his address, Dr. C. Natarajan highlighted the importance of maintaining physical fitness and continuing alumni engagement through such meaningful events. Mr. Tamil Selvan emphasized the role of alumni in inspiring current students and fostering lifelong connections beyond the classroom.

Event Highlights

The three-day meet included competitive and friendly matches, reliving the thrill of college-level hockey. Alumni from various graduating batches came together, forming teams, cheering for one another, and sharing stories from their student days. The matches were filled with energy, strategy, and camaraderie.

Valedictory Ceremony

The meet concluded with a valedictory function where winners and participants were honored with medals and certificates. Special appreciation was given to the oldest alumni participant, and a commemorative group photograph marked the end of the memorable event.

Dr. C. Natarajan congratulated all participants and expressed his hope that the tradition would continue in the years to come. The alumni expressed deep gratitude to the organizers and college management for facilitating such an engaging and nostalgic event.

Alumni as a board of studies member

Academic Year 2024-2025

Alumni from diverse professional domains have played a vital role in shaping the academic curriculum of our institution by actively serving as members of the Board of Studies. Their industry experience and real-world insights have greatly contributed to aligning our programs with current market demands and global academic standards. By identifying emerging trends such as data analytics, sustainability, and digital transformation, they recommended the inclusion of relevant elective courses and updated core modules. Their involvement ensured that the curriculum remains dynamic, skill-oriented, and future-ready.

They also emphasized experiential learning through industry projects, internships, hackathons, and field visits, enhancing students' practical exposure. Furthermore, their suggestions on course sequencing, pedagogy, and assessments improved academic coherence and student engagement. Alumni members have facilitated guest lectures, mentoring, and collaborative research opportunities, bridging the gap between academia and industry. Their valuable contributions continue to elevate the academic quality and relevance of our institution, empowering students to meet the evolving challenges of the professional world with confidence.

Alumni Reunion – IT Department (2019–2023 Batch)

The Department of **Information Technology**, Hindusthan Institute of Technology, organized a memorable Alumni Reunion for the 2019–2023 batch on 5th April, 2025 at the college premises. The event brought together around 40 alumni who enthusiastically participated and reconnected with their peers and faculty. The event witnessed the enthusiastic participation of alumni, faculty members, and current students.

The reunion was graciously presided over by **Dr. Duraipandian, Head of the IT Department, who delivered the welcome address.** He warmly welcomed the alumni and appreciated their presence, emphasizing the strong connection between the department and its alumni community.

Mr. Tamil Selvan, Secretary of the HITECH Alumni Association, played a pivotal role in coordinating the event. In his address, he highlighted the importance of alumni involvement in the institution's growth and encouraged alumni to contribute through mentorship and collaboration.

The gathering also featured interactive sessions led by Mrs. Kavi Priya and Mr. Manikandan, Assistant Professors of the IT Department. These sessions created a platform for alumni to share their experiences, career journeys, and suggestions with faculty and students, fostering meaningful dialogue and inspiration.

The event concluded with a lunch, offering an opportunity for informal networking and joyful recollections of campus life. The reunion served as a heartwarming reminder of the lasting bond between the alumni and the department, strengthening the spirit of unity and continued engagement.
