Jeedimalla Anil | B.E - ECE | 2018 - 2022 | Cognizant-Programmer Analyst

Throughout my academic journey, I was impressed by the faculty's dedication, expertise, and willingness to go the extra mile to support students. The guidance and support I received from the Hindusthan Institute of Technology were instrumental in securing my placement in a dream company for any aspiring engineer.

Sri Haran J | B.E - ECE | 2013 - 2017 | EPAM- Software Engineer,

Undoubtedly, selecting Hindusthan Institute of Technology to pursue my B. E degree has been the wisest decision of my academic career. The College boasts an exceptional faculty, ranging from the Principal to all faculty members, who are incredibly cooperative and extend their support not only in academics but also in extra-curricular activities. Its state-of-the-art facilities and resources have been crucial in my academic accomplishments.

Saif Ali Khan A | B.E - ECE | 2017 - 2021 | Likewize India shared services - Senior Global Access Management

My time at Hindusthan Institute of Technology was characterized by a strong emphasis on industry-oriented learning and excellent opportunities for growth. With the unwavering support and guidance of the faculty and placement cell, I was fortunate enough to secure a job at Likewize India shared services. I am grateful to the faculty in my department for their constant support, encouragement, and mentorship during my academic journey, through both successes and challenges.

**Mohan S | MBA | 2021-2023 | Relationship Manager
Grade Level 2 (CUB)**

I am incredibly grateful for my time at Hindustan Department and College. The dedicated faculty, diverse range of courses, and vibrant campus environment provided me with a well-rounded education and unforgettable experiences. The college's emphasis on practical learning and innovative teaching methods truly prepared me for success in my career. I forged lifelong friendships and gained valuable insights that continue to shape my journey.

**Sandhiya Vani R | MBA | 2020-2022 | BSSE- Karur Vysya
Bank , Vazhapadi Branch.**

Looking back on my education in Hindusthan Institute of Technology, one word that comes to mind is exceptional. I found the classes and knowledge taught to be rewarding in every aspect, resulting to immediate success in my career upon graduation. While at PG, I studied Human Resource, a subject I was always fascinated with and fell in love with while completing the degree on campus. One of the greatest things with the MBA Department is the professors. They truly understand the merging of lectures and real-world examples to review while learning different topics in the economics subject. I thoroughly enjoyed viewing ongoing current events through the lens of lecture material in this degree.

**Aparna V Mohan | MBA | 2020-2022 | Business Analyst
at Cascade California Realty, California.**

Hindusthan Institute of Technology has helped me in creating so many different impacts on my life, and prepared me for the real world. I am very grateful to my Institution which provided me with highly talented staffs. This institution & my tutors mold me by providing various opportunities to develop my soft skills.

Name: M.Nilobar begam | MBA | 2020-2022 | HR Associate consultant - Careernet Technologies pvt. Ltd.

I am profoundly grateful to Hindustan Institute of technology, where I honed my skills and cultivated personal growth throughout my MBA studies. The college's comprehensive curriculum not only facilitated academic learning but also provided me with invaluable practical experiences through internships opportunities and diverse campus placements opportunities. Additionally, the institution's commitment to fostering entrepreneurial development through its program further enriched my educational journey.

Nivesh.G | MBA | 2018-2020 | Entrepreneur

I am immensely grateful for the enriching experiences and opportunities that my college has provided me with. The faculty members are not only knowledgeable but also genuinely care about their students' growth and success. Throughout my time at college, I've had the chance to participate in internships and Presentation events, which have been invaluable in shaping my career and what I'm today. I wholeheartedly recommend this college to anyone seeking a nurturing and dynamic learning environment. It has been an incredible journey of growth, and I am confident that the college will continue to inspire and support future students as it did for me.

Aravindh N | MBA | 2021-2023 | Business Analyst

I express my hearty gratitude towards Hindusthan Institute of Technology for teaching me, guiding me, supporting me towards my career. As a student of this institution, I got to learn many things including morals and ethics to follow in the society. As a citizen of this society, I can now proudly say that I have learnt from the best. Not just academics, the staffs made sure we are ready to face the industry on our own. I'm humbly forever grateful to the staffs and to this institution.

**Alckin Philip N T | B.E -MECHANICAL | 2013-2017 |
Manager, Baramount, United Kingdom**

Hindusthan Institute of Technology is the place where equal emphasis is given to academics, sports, and campus placements. Our professors are experienced and knowledgeable in their domains. I am super excited to start this new journey and this wouldn't be possible without the support of my department.

**Prabhakaran.V.M| B.E CSE |2009 – 2013| Founder &
CEO, Visaithalam Solutions**

I am happy to share my experience as a Department of student at Hindusthan Institute of Technology. My time here has been nothing short of transformative, providing me with the skills, knowledge, and experiences that will certainly determine the course of my future. The campus itself has served as a source of inspiration. The cutting-edge facilities, including cutting-edge labs and a well-stocked library, have proven invaluable in my academic endeavors. I cannot express how grateful I am to the teachers and other staff members for their constant support. Their mentoring and support have been important in molding my academic and personal growth. They have inspired me to think critically, to challenge preconceptions, and to strive for greatness. I am honored to have graduated from this esteemed institution, and I am thankful for the opportunities it has provided me.

**H Abdul Rahman | B.E -CSE | 2015-2019 | Web Developer-
Logic information systems pvt ltd.**

Hindusthan Institute of Technology is a good college with better career Opportunities. Placements get even more awesome year by year. Teaching methodologies are modern & latest equipment are used in practical's. This institution always supports their students for doing something good" I am grateful for my experience here.

Kesavan S | B.E CSE |2015 – 2019| Odessa Technologies - Staff Engineer

I got great support from the Department team. My experience at Hindusthan Institute of Technology has been amazing and memorable. The mentors helped me enhance my academic and interpersonal skills. I am thankful to the Department for providing a platform to upscale my skills and an opportunity to showcase them.

Charles R | B.E CSE |2015 – 2019| Sr. Graphic Designer Voltech Group of Companies

My experience at Hindusthan Institute of Technology has been a pleasant one right from the beginning. During placements, the department was extremely helpful and helped me streamline the whole process smoothly. There was guidance provided at every step.

S.M.Jeevan | B.E CSE |2016 – 2020| Software Developer - Gabriels Technology Solutions

I am eternally grateful for the time I spent at Hindusthan Institute of Technology's Computer Science Department. The instructors, curriculum, supportive community, and exposure to cutting-edge technology have all contributed to my development as a student and as an individual. The college has inspired me to focus on my interest "Music" in addition to technology. I treasure every time I spent at college and will remember them for the rest of my life.

Pranav P | B.E CSE |2019 – 2023| CEO - Kryptonite Solutions

I felt right at home into a community of dedicated professors and fellow students who shared my interest for technology and innovation. The department promoted a culture of lifelong learning. Guest lectures by industry experts, seminars, and networking events provided me with information on the most recent trends and developments in the area. I was also given the opportunity to intern at Face prep. The institute encouraged my entrepreneurial spirit, and I am now an entrepreneur. "Kryptonite Solutions" is my own company. I am honored to have graduated from such a prestigious and forward-thinking department, and I look forward to contribute to the profession that has given me so much.

Ms. DHIVYAPRIYA S G, | B.E CSE |2019 – 2023|Senior Associate Engineer, ATOS Global IT Services and Solutions)

I am excited to share my experience as an HITECH student. These last few years have been an extraordinary journey of personal development, learning, and progress. One feature that distinguishes HITECH is its emphasis on hands-on learning. The well-equipped laboratories and workshops allowed me to apply academic knowledge to real-world circumstances. In addition, the college lays a great focus on holistic development. Extracurricular activities, clubs, and events have helped me to broaden my horizons beyond academics. My education, encouragement, and experiences here have provided a solid basis for my future pursuits. I am convinced that the skills and information I have gained will lead me to a successful engineering career.
